

Take your lazy
old cell phone
and get it
working again!

You can support our organization by donating your unused cell phones, digital cameras, PDA's and laptops, while helping save the environment from toxic waste!

Phones, digital cameras, PDA's and laptops donated through our **Phone Fund** program are given new life. Your throw-away technology is desirable to people living in developing nations. Phone Fund makes your unused technology available to those who can use it, while keeping it out of the landfill.

And best of all, every item that you donate means money for us!

Please place used cell phones, (batteries and charger/power cords if available), digital camera, PDA and laptop in a paper or plastic bag with the attached voucher. Detach below and send with items.

School or Organization Name: _____

Your Name: _____

Thank You!
